PREFACE

These stories were written between 1985 and 1992. Their purpose is to illustrate, and to inspire the simple seeking of truth. Plus whatever encouragement can be stirred up. And, maybe to entertain a little as well.

Truth is absolute. Truth is a person. Truth is the knowledge of the Father of all revealed to us through and by the Son. The Spirit of God indwelling us makes us know truth. It becomes part of us forever. His truth within us is His life within us. As we remain in Him, He remains in us forever and ever- eternal life! Truth is pure and holy. It is to be treated with reverence. It is more desirable than anything all the world and the people of the world can offer. Truth drives out darkness and all the prince of darkness can muster against us. Truth, like love, never fails.
