“Pleasant words are as a honeycomb; sweet to the soul and healing to the bones.”

King Solomon

A WORD FROM THE WRITER

I have spent the last five months putting together this good tool of encouragement for a number of reasons. First of all I have learned to enjoy this talent as a way or fellowshiping with the Lord. For me it's a form of meditation on the things of God and the state of our separation from the things of the world. We know that we are not “of the world”, nor do we belong to the world as our Lord Yeshua has repeatedly made clear to us. We who live in the United States are faced with a difficult choice and discipline. Wealth is a corrupting force. Our nation is very corrupt. But God's words are true and timeless. These writings are meant to encourage the reality of our unique position in the heavenly kingdom.

In a way this has been also an exercise in preparation for what is next. He is always preparing us for what is coming on our path. Since he knows the end from the beginning, our God does lead and carry us along. I'm looking at something called “The Fountain of Healing Ministry” and Sedona, Arizona. Both are ahead along my path of faith. I don't understand yet, but these writings have helped me ready myself.

As a seed of encouragement and as water for the seed within you, the reader, I prayerfully offer SEED PLANTER to you.
